FYI:

Tournament: A series of contests in which a number of contestants compete and the one that prevails through the final round or that finishes with the best record is declared the winner. A competition involving a relatively large number of competitors, all participating in a sport or game held at a single venue and concentrated into a relatively short time interval.

Double-elimination tournament: may be used to allow each competitor a single loss without being eliminated from the tournament. All losers from the main bracket enter a losers' bracket, the winner of which plays off against the main bracket's winner.
